

With Their Whole Souls

You are reading every day of our boys over there—of Pershing's divisions charging into the blasting fire of the boche trenches; of small detachments smashing their way from house to house through ruined villages; of single handed deeds of sacrifice and valor.

One thought, one impulse only fills their souls—to FIGHT AND KEEP ON FIGHTING until the war is won.

They know that all America is back of them; they know that they can count on us at home to send them all the guns and supplies they need to win.

There is only one way we can do it. All of us must work and save and buy Liberty Bonds, *with our whole souls, the way our men are fighting over there!*

No less will win. There is no other way to provide the money the Government must have. Don't wait to do your duty

Believing that it is the duty of every person who enjoys the freedom and privileges of citizenship in our great Country to do his utmost to help win the war, the following firms and individuals have patriotically contributed the money to pay for this and other advertisements of the Fourth Liberty Loan.

Be a Volunteer

September 28th and 29th Will be Volunteer Days

On these days everyone will be given an opportunity to step up and buy bonds without being solicited to do so. Places will be designated where volunteer subscriptions will be received. These places will be announced in the papers and by signs. Your card will be on file there. Cards of those who do not volunteer will be used for active solicitation, which will begin Monday, September 30th. No one will be overlooked.

Do not wait for some one to come after your subscription. Show that you, too, can volunteer for your Country's service, just as our boys "over there" did.

Figure out now the very maximum you can subscribe. Be ready when Volunteer Days come. This is no time for half-way measures. Half-way measures won't push

our boys across the Rhine. It is up to us to buy bonds with every uninvested dollar we own, plus every dollar we can save by careful, frugal living for six months to come.

You don't have to pay all cash for your bonds. You can make your first payment from cash in the bank, and take care of the balance out of your daily, weekly or monthly savings.

The forced saving you do now will mean a nice nest egg later, for the bonds you buy now and pay for as you go along, will prove a splendid investment that will pay you a good interest every six months. After the war, the bonds will be worth more than you paid for them. Don't hesitate to do your duty and do it quickly. "Don't let the SON go down."

Diarrhoea in Children.

For diarrhoea in children one year old or older you will find nothing better than Chamberlain's Colic and Diarrhoea Remedy, followed by a dose of castor oil. It should be kept at hand and given as soon as the first unnatural looseness of the bowels appears.

For a Weak Stomach.

The great relief afforded by Chamberlain's Tablets in a multitude of cases has fully proven the great value of this preparation for a weak stomach and impaired digestion. In many cases this relief has become permanent and the sufferers have been completely restored to health.

Good for Biliousness.

"Two years ago I suffered from frequent attacks of stomach trouble and biliousness. Seeing Chamberlain's Tablets advertised I concluded to try them. I improved rapidly."—Miss Emma Verbyrke, Lima, Ohio.

The Fourth Loan Is The Fighting Loan.

As the campaign for the Fourth Liberty Loan approaches the American Army in France moves on toward Berlin. Under our own leaders the great American Army has won a notable victory.

The Fourth Loan must be a great success. The Fourth Liberty Loan is a fighting loan.

When our soldiers on the battle front are braving death, each one offering to make the supreme sacrifice for his country and the great cause, we who remain safely at home surely should give them every support, should make every sacrifice to strengthen them. If we can not fight ourselves we can make our dollars fight.

It is a great cause for which America is engaged in this war; it is a great struggle in which the very hope of the world is bound up that is being waged in Europe and on the high seas. It is an honor to have a part in it and all Americans, all of their lives, will be proud of the part they had in it or ashamed of their failure to do their part.

The Fourth Loan is a fighting loan. Every subscriber to a Loan strikes a blow for Liberty, for Victory.
